UNDER CONSTRUCTION
SCHEDULED TO OPEN
4TH QUARTER OF 2025

Premier development opportunity in a fast-growing commercial and residential corridor. This listing features 1-11.5+/- acres divisible of prime land directly across from the future Costco (opening Q4 2025) and 1-30+/- acres divisible on the opposite frontage of the future Costco, providing outstanding visibility, access, and positioning in one of the area's most sought-after locations.

The eastern parcel is surrounded by planned single-family and multi-family residential developments, making it ideal for complementary retail, service, and restaurants.

The western parcel sits directly across McHugh Road from the future Costco and anchors an additional 2.5-acre pad site currently under contract with major national restaurant chains, further enhancing the site's commercial appeal.

With Costco centrally located between these parcels, the site is perfectly positioned for long-term success.
